Recent art projects

Banksy is a graffiti artist whose identity is unknown and uses his art to give his opinion on events happening in the world.

These are our Banksy inspired stencil prints.

We loved this wooden stick project Claire suggested. We all decorated several sticks and then put them together to create this amazing framed print!

A trip to Flowerland

Due to a kind donation from Hub Care Support Mid and South Bucks we were able to take a group of our service users to Flowerland Garden Centre for coffee and cake. We were delighted that Larissa was able to join us!
