

HSB Noticeboard

We're excited to announce that Headway South Bucks were successful in being awarded a grant from the Lawn Tennis Association to run walking and adaptive tennis. We will also receive some specific adaptive equipment! We look forward to starting this new activity soon!

Staff and volunteers social trip

Ten pin bowling

Our Tuesday, Wednesday and Thursday volunteers don't often get to see each other as they come on different days so we brought everyone together for a ten pin bowling social.

We are so lucky to have the support of such lovely volunteers.

Our furry friends

At Headway South Bucks we are lucky to have regular visits from Paddington, a pets as therapy dog. He is a Leonberger and a gentle giant.

Our Wednesday group have the pleasure of Indie who attends most Wednesday sessions and has a calming effect on us all. Our service users love her as you can see.

HAPPY EASTER
